

The **Presbyterian Women of**
Old First Church

We have a 352 year history in Huntington and more than a 100 year history of specifically helping women and their families make a better life for themselves.

Throughout the year we work hard to make our two major fund raising events better than the year before. **Both** events are open to the public and historically **attended by hundreds of Long Islanders.**

We are hoping that you may be able to help us this year. We are requesting donations and gift certificates in all value ranges to enter into these exciting community events.

All Proceeds from your donations will be used for the **General Mission Fund** of Presbyterian Women of Old First Church. You will receive a letter of appreciation for your tax-deductible donation and your place of business will be advertised as one of our generous contributors.
